How to chant

1. Sit facing east or north on a clean seat, after a bath if you can.
2. Light a lamp. Take a little water in your right palm and state your intention (sankalp) silently.
3. Use a mala of 108 beads; turn it with the thumb and middle finger, and do not cross the larger guru bead: turn the mala around.
4. Chant clearly and steadily, aloud, softly, or in the mind; the same number each day matters more than speed.
5. Close with a moment of silence and offer the merit of the japa for your family's wellbeing.
